**February 28 2002 - Superb Internet Delivers New Standards in Reseller Hosting**

**Vancouver, BC – February 28, 2002**

[Superb Internet Corporation](#), a leading provider of web-hosting and e-commerce solutions, announced today a completely revamped Reseller Program offering industry leading reseller discounts of up to 50%, thereby further increasing the revenue potential of Superb Internet's resellers, and further elevating the company's position as one of the premier providers of web hosting services worldwide. With their new [Reseller Program](#), Superb Internet will now provide the most comprehensive, turnkey, reseller solutions to any end-user, web developer, reseller, web-host, or e-commerce organization.

“In our relentless pursuit in improving Superb’s hosting services and delivering the very best possible hosting solutions, we are very pleased to announce that we have completely revamped our Reseller Program to enable potential resellers to make even more money selling Superb’s hosting services,” stated Haralds Jass, Superb Internet’s President and CEO. “In addition we have lowered the prices and increased the services of many of our services, thereby doubling the attractiveness of our Resellers Program. Once again we are truly Ahead of the Rest. ®”

While Superb Internet has always endeavored to target its services to the SME-marketplace, these new services coupled with a new the new web-based myCP control panel make it extremely easy for new and existing hosting customers to now offer hosting services in addition to their existing products and services they now sell thereby expanding their online product lines. Also Superb has completely re-vamped their E-Commerce offering to make it much easier for SMEs to get online and start selling easily and quickly.

“We have taken our years of experience in the shared hosting to another level in order to bring to the marketplace our new, industry-leading Reseller discounts on our web hosting services. There are no sign up forms, no registration fees, no minimum numbers of accounts – simply start adding accounts and get reseller discounts starting at 20% going quickly up to 50%, “ according to Curtis R. Curtis, VP Marketing. “In addition we have added numerous features to our program that make it extremely easy now for all our customers to be resellers.”
