Superb Internet Unveils Inclusion of Miva Merchant with its Hosting Services

Vancouver, BC – Sept 25, 2002

[Superb Internet Corporation](#), a world leader of quality managed hosting and e-commerce solutions, is pleased to announced today that in partnership with Miva Corporation, it will be offering Miva Merchant included with [all fully virtual shared hosting services](#) .

“We are the first and only web host to offer Miva Merchant bundled with all our hosting accounts. Now, customers no longer have to pay a premium to use the Miva Merchant e-commerce solution!” states Haralds Jass, President & CEO, Superb Internet, “Even smaller customers, who do not have a full-scale E-commerce site, can now use Miva Merchant. So, now a customer can come to us and no matter what fully virtual or better hosting option they select, get Miva Merchant included -- the full (\$595) version, absolutely free! They can use it as they please, be it for a commerce site, or as a catalogue for a site offering information or products at no charge, or any one of the numerous other uses it can be utilized for.”

“Research shows that the traditional hosting services marketplace is maturing and new hosting customers are looking to those web hosts that deliver more than just raw space and an address on the Internet,” according to Curtis R. Curtis, VP Sales & Marketing. “The demand for E-commerce capabilities is increasing at a feverish rate in the marketplace, with Forrester Research predicting that by 2004, online sales will exceed \$3 trillion. As web sites become more sophisticated, and the need to provide one stop shopping solutions online ever increases, we feel our newly expanded E-commerce solutions are exactly what online customers are demanding.”

"Partnering with a leading edge hosting company such as Superb Internet, who has always been at the forefront of leading the hosting industry in introducing new value-added services was natural for Miva. Superb is a pioneer in creative offerings that best service the needs of small to medium sized enterprises," said Joe Austin, CEO of Miva.
